

HR That Works Private Label Program Pricing

Pricing for the Private Label Program participation is based on the range of user accounts available during a month. Price breaks are offered to encourage use of the program. A one-time **set-up fee of \$1,997** must accompany your Application. This fee covers initial set-up costs. Additional fees may be charged should you change your web site which necessitates additional programming on our end.

<u>User licenses</u>	<u>Price per month</u>	<u>Annual Price* (2 months free!)</u>
1-25	\$500	\$5,000
1-50	\$750	\$7,500
1-100	\$1,000	\$10,000
1-250	\$2,000	\$20,000
1-500	\$2,500	\$25,000

Additional licenses outside this framework are available to those with 100 or more licenses in increments of 25, pre-paid annually for \$2,500. So, for example, if you have 100 and want an additional 25, you can easily do so. We hope that makes sense. If not, give us a call at (800) 234-3304.

There is a substantial discount for a one year pre-payment agreement. Monthly payments for the program must be made by automatic bank withdrawal or credit charge to our Bank of America account. Please see the [Pre-payment Authorization Form](#).

Note: As per the contract, we agree to limit any program rate increases to no more than 15% per year.
